OUR MEAT

Our meat is sourced from Robbins Island Wagyu which is situated on the North Western tip of Tasmania. The prized cattle are grazed naturally and sustainably on lush pasture without supplements and hormones. Throughout the year, bands of local horsemen swim the cattle through saltwater channels at low tide to move them peacefully between grazing areas.

LONGHORN MOUNTS AND SCULPTURES

"I have worked with Texas Longhorns for 18 years, building mounts, furniture, and sculptures. The Longhorn Smokehouse now houses the best collection of my work, containing some of the largest Longhorns I have ever worked with. Most of the Longhorns used in these pieces came from a Longhorn ranch in Texas, where the animals had lived to an older age, resulting in their magnificent colours, texture, and size. I would like to thank the Longhorn Smokehouse for giving me the opportunity to assemble one of the best collections of modern Texas Longhorn artwork in the world."

- Jim Mundorf, Iowa Longhorn Artisan

BRANDING IRONS

As you savour our smoky culinary creations, observe the extensive collection of antique branding irons adorning the walls - a nod to the resilient pioneers who sculpted the culinary landscape of yesteryears.

A branding iron, a tool both practical and symbolic, was once a rancher's signature, an emblem of ownership embodying a livelihood and an enduring connection to the land. Used to sear distinctive insignias onto livestock hides, these implements transcended the boundaries of mere utility, the mark of a tangible bond between ranchers and their stock.

Each of these meticulously preserved artifacts bears the indelible marks of history, originating from corners as diverse as the vast plains of Montana, the rolling hills of Ohio, the untamed wilds of Texas, the picturesque landscapes of the United Kingdom and every state & territory of Australia (Excluding the Northern Territory).

American States branding irons were purchased from:

Oklahoma, Montana, Texas, Ohio, California, Indiana, Missouri, Vermont, Oregon, Florida, New York, Pennsylvania, Washington, Louisiana, Colorado, Kansas, Virginia, Arizona.
