

TAKE A VIRTUAL TOUR

A dining icon

Some occasions deserve more than just dinner. The Point Revolving Restaurant is an experience that unfolds slowly, just like the sweeping 360° views across Hobart, kunanyi and the River Derwent. Refined dining, exceptional service and classic tableside theatre come together to create an evening that feels truly special.

Tableside theatre

French-inspired fine dining with classic tableside flambé, including Steak Diane and Crêpes Suzette. Our menu is refined and full of texture and flavour using only the best local Tasmanian ingredients.
