

TAKE A VIRTUAL TOUR

ROOM TO MOVE

The Green Room Bar is an easy, open bar space at Wrest Point. Heading to a show at the Entertainment Centre? Start with a drink here. Not ready to head home after the final encore? This is your next stop. Keep the energy going after dark with drinks, music and a social atmosphere. Easy to drop into, even easier to linger.

CLASSIC COCKTAILS

The cocktail menu is a lineup of unapologetically old-school classics, made to be fun, familiar and a little nostalgic. Think throwback favourites you haven't ordered in years, taking centre stage alongside a full bar offering. Easy ordering, fast service and delicious bar snacks.

CASUAL AND FLEXIBLE

The Green Room is a destination for groups who want something casual but lively. It works for post-conference drinks, birthday rounds, team celebrations and everything in between. There's space to gather, room to move, and an atmosphere that makes everyone feel part of the action.

The Green Room Bar is best for:

- Post-conference drinks and end-of-event wrap-ups
- Team celebrations and group nights out
- Birthday groups and social gatherings
